GENERAL TESTING INFORMATION

The Alabama Electrical Contractors Board has contracted with Prov, Inc. to develop, and administer their licensing examination program for state licensed electrical contractors and electrical journeyman. This bulletin has been developed to help explain the rules and processes you will need to undertake to complete the testing requirement for your Electrical Contractors and Electrical Journeyman licenses.

Alabama law requires that each individual who is engaged in the electrical contracting business or performing work as an Electrical Contractor or Electrical Journeyman to be licensed. To become licensed, an individual must first complete the appropriate application with the Alabama Electrical Contractors Board. Applications are reviewed quarterly and deadlines are posted online at the Alabama Electrical Contractors Board website. Once you have been approved for testing, the Board will notify you that you are eligible to contact Prov to schedule your examination. You will be eligible to take the exam within 90 days of the approval date. Failing candidates must re-apply each time they test.

Prov is not authorized to make the determination of which examination(s) candidates must take. If a candidate is unsure which exam is needed for the license being sought, resolve this question before scheduling. If candidates have questions regarding which exam(s) to take, they must call the Alabama Electrical Contractors Board at (334) 269-9990.

The following is a list of the examinations administered by Prov for licensing through the Alabama Electrical Contractors Board. All exams are open book and are timed. Detailed information about exam content, duration and reference materials can be found in the Exam Descriptions section of this document.

**SCHEDULING BY PHONE**

To schedule for an examination by phone, candidates should contact Prov toll free at 866-720-7768. Prov scheduling staff is available 8:00 a.m. through 6:00 p.m. ET, Monday through Friday.

Candidates should be prepared to provide the Prov scheduling staff with their name, Prov Candidate ID and their zip code. Once Prov confirms the candidate’s identity, Prov staff will search the database for the next available testing session at the candidate’s preferred testing location and will provide candidates with any alternate locations that may be in close proximity to their address. Once candidates are scheduled, Prov staff will email them information regarding their testing schedule.

**CANCEL/RESCHEDULING POLICY**

If you need to change or cancel their testing appointment, you must contact Prov at least three (3) business days prior to your scheduled test date. Rescheduling is free if Prov is notified by the deadline. If you fail to appear for their test or fail to cancel or reschedule your testing session by the close of business three days prior to their scheduled test date, you will forfeit your exam fees.

**PREPARING FOR YOUR EXAMS**

The licensing examination that you will take has been designed to test what qualified individuals (master or journeyman) should know as they work in the HACR field. The test questions used on the examinations have been prepared and reviewed by a panel of qualified individuals and cover the wide range of topics individuals would normally encounter as a master or journeyman during regular work operations.

Prov recommends that you prepare for your exam by familiarizing yourself with the subject areas listed in each exam description. Additionally, familiarize yourself with the reference materials that are allowed during the examination. The more time you spend outside of the testing room studying, the less time you will need to spend in the testing room trying to locate information. You are encouraged to prepare your test materials by highlighting text or placing permanent tabs on important pages.

It is NOT mandatory that candidates purchase any study materials in preparation for their examinations; however, all examinations permit the use of authorized study materials and candidates may be at a disadvantage if they do not bring those materials with them to their testing session. At a minimum Prov recommends that candidates have their own code books related to their exams which may be useful to candidates after their testing is complete.

**Check-in Deadline**

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments in order to check candidates into the testing center. If you cannot produce a valid government-issued photo ID, refuse to participate in signing the test center log, or refuse to be photographed, you will be dismissed from the testing center and forfeit all testing fees for that testing session.

If you do not have a photo ID, you may still present a valid State driver’s license without a photo, a State ID card without a photo that is issued by the DMV, or a birth certificate.

You should prepare your reference materials using ONLY the following methods.

- Highlighting
- Handwritten notes must be written in **pen** (ink)

During the testing process you MAY NOT:

- Share reference materials during testing.
- Highlight, underline, mark or write any kind of information in their reference materials during testing.
Visitor Policy
No one other than the candidate will be allowed in the testing room. Non-testing visitors are NOT permitted to wait in the lobby while candidates test.

Unethical Conduct Policy
Any individual caught giving or receiving assistance during or after the examination, or caught using unauthorized materials during the examination will be reported directly to the Department. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

RESULTS REPORTING
Because the examination process is a requirement for licensure with the State of Alabama, candidates automatically consent to permit Prov to share their test results with the State. Upon completion of an examination, a candidate’s test will be scored and sent to the Alabama Electrical Contractors Board.

Prov’s scoring system will grade your exam immediately upon completion of your test and will automatically forward the results to the state board. The Board will mail you your score. You must achieve a 75% score in order to pass the exams.

RETESTING POLICY
Candidates who fail the exam or who fail to take the exam by the end of their 90 day eligibility must submit to the Alabama Electrical Contractors Board a retake form along with an additional examination fee. Please visit the Alabama Electrical Contractors Board website for more details and a copy of the form.

Candidates cannot retake an exam once they have passed that exam unless required by the State of Alabama.

REVIEWS & PROV’S ACCEPTED PAYMENT METHODS
Reviews are intended to help candidates audit their testing results by allowing them to see which questions were missed.

Candidates may request a review of their exam after failing an exam category two (2) times. To be eligible for a review, candidates must score within 10% of the required 75% passing score. The review for all tests is 1-1/2 hours in length. During the review candidates will be provided a printout of the questions they missed and the answers chosen in response to those questions. The review will be conducted under the same testing conditions as the exam using the same test security rules.

The cost of the review is $81.00 (includes tax) for each test reviewed. Candidates will request or schedule a review using the same methods described earlier for scheduling.

Examination fees are never collected by Prov. Payment for exams should be made directly to the Alabama Electrical Contractors Board during the application process. Please visit the Alabama Electrical Contractors Board website for a complete schedule of fees.

Candidates paying for any other services provided by Prov can use the following methods of payment:
- Money Orders
- Cashier’s Checks
- Certified Checks
- Credit Cards (Amex, Discover, Master Card, Visa)

No personal or company checks will be accepted and all registrations that include personal or company checks will be returned without processing.

EXAM CHALLENGE PROCESS
If during an exam or review, the candidates encounter a question they think is inaccurate or otherwise incorrect, they are encouraged to submit an Exam Comment to Prov detailing why they feel the question is in error. Candidates testing on computer may make their comments in the testing system. Candidates who are reviewing an exam will automatically be provided with an Exam Comment form.

Prov staff will review each comment within two weeks of submittal. Should any comment result in a change to a test question and/or candidate score, Prov will report the change to the Alabama Board of Heating, Air Conditioning, and Refrigeration Contractors. The Board will notify the candidate of the score change and issue a new result letter. Detailed answers to questions or comments are not provided for test security purposes.
HAND SCORE REQUEST

Prov ensures the accuracy of our exam results. Our computer system, is designed to identify and report any potential error in data collected from an exam session. If you would like to have your score reassessed for accuracy, you can request a Hand Score by calling Prov at 1-866-720-7768 and asking for a Hand Score Request Form.

A Hand Score Request form requires a signature and must be mailed to Prov. Forms must be received by Prov no later than ninety (90) days after your examination administration date and must be accompanied by a copy of your original score letter.

Once a Hand Score is received, Prov Staff will process the request within seven (7) to ten (10) business days. During the Hand Score process a staff member will ensure that your answers were properly recorded and scored by comparing the captured answers to the exam key. Upon completion of the Hand Score we will provide a letter by mail to report the outcome of the reassessment.

The cost of the hand score is $25.00 (includes tax).
